

## **G,G, Joe theme lyrics**

by Bob Brinkman

Yo Joe!

In the fight for gaming, whenever there's trouble,  
G.G. Joe is there!

G.G. Joe...  
Old School Revival heroes  
G.G. Joe is there.

Its G.G. Joe against B.O.R.E.D.O.M. the enemy,  
Fighting to save the day.  
He never gives up, he's always there,  
Describing the treasure in a creature's lair.

G.G. Joe...  
Old School Revival heroes G.G. Joe is there.

[spoken]

G.G. Joe is the codename for America's daring, highly trained, special mission gaming force. Its purpose: To defend human entertainment against B.O.R.E.D.O.M., a listless, organization determined to inflict "meh" upon the world.

He never gives up, he'll stay till the games done - G.G. Joe will dare.

G.G. Joe is there...  
Old School Revival heroes  
G.G. Joe is there!
